

AvePoint Opens Office in Washington State, Continuing Aggressive Expansion to Meet Ever-Growing Market Needs

New facility in Bellevue, WA will accelerate delivery of AvePoint's award-winning products and services to businesses and organizations seeking comprehensive and cost-effective governance, compliance, and management solutions in the greater Northwest

Jersey City, NJ — January 14, 2013 — [AvePoint](#), the leader in governance, compliance, and management solutions for social enterprise collaboration platforms, announced today the opening of a new operational office in Bellevue, WA, as part of a comprehensive initiative to deliver the highest quality service and support to its clients in the greater Northwest. AvePoint's global growth strategy has contributed to an increase in its US-based jobs by 113 percent in the last three years, [garnering a recent Inc. Hire Power Award](#), after a 47 percent US growth in 2012 alone.

"As organizations in the region increasingly rely upon SharePoint, the demand for robust tools to manage, optimize, and protect our customers' business collaboration platforms has accelerated in order to enable efficiency and collaboration without compromising on security and compliance," said Dr. Tianyi Jiang, Co-CEO and Co-Founder at AvePoint. "Our new Bellevue office and expanded professional team serves to reaffirm our dedication to delivering both top-flight value and best-in-class support to our clients and partners in the area. As other companies stand still, AvePoint continues to move forward by expanding our global presence."

Located in the Key Center office tower, AvePoint's new workspace will allow for greater access to a growing customer base in the region, while providing an opportunity to better service existing customers and nurture mutually beneficial professional relationships with complimentary vendors and professionals throughout the greater Northwest.

The new location also further strengthens the [connection between AvePoint and Microsoft](#), as both now have buildings less than a mile apart in Bellevue. AvePoint is a Depth Managed Microsoft Gold Certified Portals and Collaboration Partner and Gold Certified ISV Partner. AvePoint already has office space at Microsoft's corporate campus in Redmond, WA at the Microsoft Partner Solutions Center (MPSC), where it has MPSC partner status.
