AvePoint Cloud Insights 1 Service Pack 12

Released: September 17, 2017

New Features and Improvements

- After the AvePoint Cloud Insights App is published to the App Store, you can deploy AvePoint Cloud Insights app parts to SharePoint Online sites to display statistics of user activity, site activity, and content popularity.

AvePoint Cloud Insights 1 Service Pack 11

Released: July 23, 2017

New Features and Improvements

- You can now view visits in different regions via the **Visit Distribution** map on the **Page Analysis** sheet.
- In the Reporting interface, you can now configure Report Settings to filter statistics in the reports. The report settings include **Site Collection URL** and **Time Range**. You can designate a site collection in the **Site Collection URL** text box, and select a **Time Range** to be applied to the designated site collection.
- AvePoint Cloud Insights now supports the Microsoft Edge browser.

AvePoint Cloud Insights 1 Service Pack 10

Released: June 18, 2017

New Features and Improvements

- The Top Active Users, Departments, and Offices user reports have been updated to stacked bar charts.
- You can choose to display reports about data for **All Tenants** or **Specific Tenants** by configuring the Tenant Scope in AvePoint Online Services > Report Data Collection interface.
- You can use the Report Data Collection feature in AvePoint Online Services for AvePoint Cloud Insights, AvePoint Cloud Management, and AvePoint Cloud Archiving, as long as your tenant has the available licenses for any of the those solutions.

AvePoint Cloud Insights 1 Service Pack 9

Released: April 16, 2017

New Features and Improvements

- The format of **Top Active Users**, **Departments**, and **Offices** user reports have been updated to stacked bar charts.
- The **Page Traffic report** has been renamed the **Site Collection Traffic** report .

AvePoint Cloud Insights 1 Service Pack 6

Released: January 15, 2017

New Features and Improvements

- For storing Cloud Insights data, you can choose to continue to use the default storage provided by AvePoint, or create a custom storage (only Azure BLOB Storage is supported) by editing **Storage Configuration** in AvePoint Online Services > Report Data Collection

AvePoint Cloud Insights 1 Service Pack 4

Released: November 20, 2016

New Features and Improvements

- Added the unit **SECONDS** for the **DURATION** that appears when hovering your mouse on a page of the **Time on Page (All Users)** chart.
- Added the unit **MB** for the **GROWTH RATE** that appears when hovering your mouse on a site of the **Fastest Growing Sites (MB)** chart.

AvePoint Cloud Insights 1 Service Pack 3

Released: October 16, 2016

New Features and Improvements

- AvePoint Cloud Insights will now keep your report data for up to one year.
- When configuring **Report Data Collection** settings in AvePoint Online Services, you can select **Filter out DocAve Online system operator activity** to filter out actions of DocAve Online system operators who register objects into DocAve Online.

AvePoint Cloud Insights 1 Service Pack 2

Released: September 2016

New Features and Improvements

- When a Service Administrator adds users, the Service Administrator can assign AvePoint Cloud Insights to tenant users and select the reports that are available to these users. Application Administrators can view statistics about all site collections in their SharePoint Online environment. Standard Users can only view statistics about the site collections for which they have either the primary administrator or site owner role.
- Added support for filtering statistics on reports by selecting a report scope.
- Added support for filtering service and test accounts out of reports, which will improve report accuracy and quality.
